

SimpleX: Car Plan Made Simple By RCAP....

1. WHY?

SimpleX helps the clergy of the Roman Catholic Archdiocese of Palo (RCAP) acquire utility vehicles for their ministry. Mobility improves pastoral availability to communities. Reliable vehicles help to act on emergencies, respond to calamities. Today, parish vehicle is a necessity, no more a luxury.

Oftentimes, however, banks or lending institutions shy away from dealing loans to clergy. The latter do not meet bank's requirement; they have no payslips or guarantees to show. Church after all is an eleemosynary society.

SimpleX now makes a parish vehicle within reach! This program helps the clergy of Palo acquire their workhorses- the most simple way.

2. WHAT?

TWELVE (12) Brand New Utility Vehicles (Toyota- Pick-up/Suzuki-Vitara/Jimmy/APV) are NOW AVAILABLE!

3. WHO?

SimpleX is exclusive to good-standing clergy of Palo. Applicants must be enlisted active in the Standardized Living Allowance (SLA SYSTEM) of RCAP.
