

**SOLEMNITY OF THE MOST HOLY TRINITY
BEC SUNDAY 2022**

SECOND COLLECTION SCHEME

During the CBCP Permanent Council held last July 7, 2021. The Bishops approved the following: a) CBCP-BEC will not anymore be a “Committee” but will be raised to the level of a “Commission” b) Second Collection every Trinity Sunday (BEC Day).

In view of this, on **June 12, 2022**, the Solemnity of the Most Holy Trinity and our 4th BEC Sunday, we will have our Second Collection for our Basic Ecclesial Communities. The amount collected will be allocated for the operating expenses of the Commission and support of its programs and activities. Some percentage from the collection will also be shared with the Diocesan BEC Commissions and the Subregions.

The following scheme will be considered:

- a. From the total collection during that Sunday, **50 %** will be remitted to the CBCP-BEC, the other **25 %** will be for the Subregions, and the remaining **25 %** will go to the Diocesan Commission on BEC.

a.1 The Diocese may already retain the **25%** due for their Diocesan Commission on BEC

a.2 The Diocese may remit/deposit the **50%** due for the CBCB-Commission on BEC through this bank account:

Jose A. Cabantan / Manuel G. Gabriel

BPI Account Number: 3590-0019-01

BPI Hemady, Quezon City, Philippines

a.3 For the 25% due for the Subregion, Dioceses will give it first to the BEC Commission for safe keeping. CBCP-BEC will release the said amount after the Subregion has been fully organized and orientation has been conducted, and the Subregion's organization and strategies have been assessed. Timetable: 2 months.

(Hence, for this BEC Day 2022, the 75% will be remitted to CBCP-BEC, comprised of 50% for the Commission and 25% for the Subregion)

b. Once the remittance has been made, please email proof of transaction to **cbcp_bec@yahoo.com.ph** or **cbcpbec.national@gmail.com**.
